FROM THE PRINCIPAL

Dear Families,

I hope you are all well and managing to deal with this very difficult time.

At school we have been preparing work for all students to do at home **after the term holidays**. Students will be able to communicate with their teacher via Edmodo every day.

I do not know when school will open again, but staff will be on duty from Tuesday 14th April. (They may be working on-line from home). If schools reopen after the term break, students will resume at school on Wednesday 15th April.

I hope everyone stays safe and well.

John Hurley

Principal

EASTER RAFFLE

Due to the sudden changes to our school term we brought forward our Easter Raffle plans.

A big thank you to Sallie, Julie, Effie and Dina who came in to school to arrange our Easter Raffle prizes at the last minute and also do a final count of money. We ended up with 26 wonderful prizes. The raffle was drawn on Tuesday and all excited winners have collected their prizes.

Thank you to those parents who have helped over the last few weeks in putting this fundraiser together! Thanks too, to all families who contributed donations for prizes, or purchased raffle tickets.

A total of \$238.40 was raised for the school. Yes, that is considerably lower than previous years, but a great effort in these very unusual times. At the very least, we provided a smile for the 26 winners. Thanks parents and friends for a wonderful contribution. Stay safe and in good health.

Congratulations to the following winners:
