6MD / 6RW EXCURSION IMMIGRATION MUSEUM AND MELBOURNE MUSEUM

4th August, 2022

INTRODUCTION/LINKS TO CURRICULUM:

As part of our geography and history studies, the students in Year 6 will be visiting the Immigration Museum and Melbourne Museum. At the Melbourne Museum the students will be visiting the Melbourne Story exhibition. The historical stories, artefacts, soundscapes, images and interactive components that make up the exhibition will provide students with a unique opportunity to look at the unfolding Melbourne story through the eyes of its citizens: rich and poor; Indigenous peoples, settlers, immigrants and refugees; young and old; those who found "the good life", and those who struggled to survive.

At the Immigration Museum, the students will take part in the 'Many Stories' guided tour. They will uncover the migration stories contained in a collection of suitcases and be encouraged to develop a profile of the migrant whose belongings they discover. This will help the students develop an understanding of the history and experience of immigration to Victoria and Australia. They will also develop an appreciation of what immigration has brought to this country by completing the activities from the Passport in each gallery space.
