THOMAS MITCHELL PRIMARY SCHOOL

November 2022

Dear parent/carer,

PARENT PAYMENT REQUESTS FOR 2023

YEAR 1

Thomas Mitchell Primary School is looking forward to another great year of teaching and learning and would like to advise you of the school's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

Within our school your support has allowed us to offer a wide range of subjects and additional programs and resourcing such as:

- Providing new classroom tables, chairs
- Upgrading some classrooms to ensure better working spaces for our students
- Extension program
- Enrichment opportunities
- Science and STEM program
- A well-resourced Library with a qualified Librarian
- Ensuring cultural awareness through the provision of Mandarin including an Internationalising Education program
- Enhancing our Arts program
- Employment of a qualified and experienced School Nurse
- Additional equipment purchases, such as Lego, Spheros (robots), African Drums and other resources to support programs

In 2023, we would like your support to help us continue improvement projects such as:

- Building on, and updating our Digital Technologies, including iPads, student notebooks and robotics (as school owned and purchased equipment instead of parents providing under a Bring Your Own Device program)
- Additions to our playground equipment
- Maintenance to our Fake Grass and Soccer Pitch areas and general school grounds
- Renovate male and female student toilets
- Carpeting
- Painting
- Continue to build and replenish our Library resources.
- Employing a Wellbeing Coordinator – address student wellbeing and engagement, implantation of social skills program
- An Environmental Program

In the following pages, we have listed our requests in detail. They are broken down into 3 categories.

- Curriculum Contributions, including Student Book Lists
- Other Contributions
- Extra Curricular Items and Activities

RECEIPTING

When making payments, parents/carers should be aware that the Department of Education has changed the way schools are required to receipt parent payments. Please ensure you retain your receipt for future reference.

REFUNDS

Parent requests for refunds are subject to the discretion of the school and are made on a case by case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

PAYMENTS TO PURCHASE YOUR CHILD'S BOOKS AND OTHER ITEMS

There are a number of ways to make electronic payments at times when it suits you.

1. IF YOU PURCHASE YOUR CHILD'S BOOKS AND PAY VIA OUR PREFERRED SUPPLIER:

Last term, we called for a number of suppliers to tender for the provision of student books and materials for our school. We have selected Office Corporate as our preferred supplier on the basis of their reputation, costs, provision of particular brands and the quality of the materials they supply.

- For convenience and certainty of acquiring the correct book materials, we recommend you purchase through our preferred supplier, Office Corporate.

All student materials, online subscriptions and optional other contributions can be paid for via their online website <https://www.officecorporate.com.au/thomas-mitchell-primary-school/>

If you pay for your child's books by Wednesday 21st December, delivery to school will be free of charge and guaranteed to be in your child's classroom ready for their first day of school in 2023.

You may purchase your child's books after this time; however we cannot guarantee delivery in time for the first day of school.

More details are on the attached flyer.

Please ensure you select the book pack appropriate to your child's 2023 year level. All optional items for each specific year level are shown in this section.

2. IF YOU PREFER TO PURCHASE YOUR CHILD'S BOOKS FROM ALTERNATIVE SUPPLIERS:

- If you purchase your child's books from another supplier of your choice, we ask that you purchase all books listed and match the descriptions shown. This will ensure your child will be working with books of the same standard and requirements as other children in the class.

Please send these books to school with your child ready for their first day of school in 2023.

To purchase online subscriptions and other optional items we request you make payment direct to the school on the following dates:

1. If making payment to the school please arrange to pay over the phone or come into the school office any time during school hours between:
Monday 28th November 2022 to Thursday 15th December 2022.
2. If you prefer to pay in 2023, we ask that you come into the school office or pay by phone on:
WEDNESDAY 25th JANUARY only – note this date is before school commences on Monday 30th January.
3. Once school has commenced, payment can be made at the school office (or via phone) during 8.30am and 4.30pm on school days any time after Tuesday 31st January.

Payment during school days outside of the above times is acceptable, however please be advised that you may experience short wait times.

Yours sincerely,

Kathie Arnold
