PREP, YEAR 1 AND YEAR 2 CONCERT BUNJIL PLACE, NARRE WARREN - MONDAY 29TH AUGUST 2022

4th August, 2022

INTRODUCTION/LINKS TO CURRICULUM:

Performing Arts is an important part of the school curriculum where unique, expressive, creative and communicative forms engage students in critical and creative thinking which helps them understand themselves and the world around them. Through participation in Performing Arts students learn how to express themselves and to work cooperatively in a group. Performances, like concerts, allow students to not only show what they have learnt but also to develop their confidence and 'stage presence'.

Our Junior students have been enthusiastically working on learning songs and dances within the classroom and with the Performing Arts teacher.
