The Year 5 teachers will be hosting a WebEx to provide parents with information about the upcoming Year 5 Log Cabin Camp on the 23rd –26th August 2022.

Some of the topics we will cover include travel arrangements, itinerary, sleeping arrangements, payment options, daily activities, and others.

We understand that for many students, this will be their first extended period away from home.

This meeting is not compulsory, but is recommended if you are considering sending your child to camp.
